

Trek Part

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning industry. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have more than 60 years combined experience with successfully marketing, manufacturing, designing, developing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are dedicated to giving new design concepts and top quality so as to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines continually offers fresh design ideas. They like providing products which energize both their partners and their dealers and provide production gains to their clients.

The TREK team of workers enjoys new challenges and new tasks. They are very proud to launch its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the understanding of operators' skills and requirements combined with their comprehension of cleaning applications, together with owners' strong desire to significantly lower cost through productivity gains.

When considered necessary, the staff members within TREK and its various dealer members in both parts and in technical support would be obtainable. One of their core values is their high service commitment in their customer service. Keeping their customers' cleaning equipment running and ready day by day is top priority. The company's top of the line technology delivers reliable machine that ultimately lessens your cleaning cost. The service, the product and the price all work as one to be able to make them an industry leader.
